4. Citizen Comments/Concerns:

M. Rice, 601 Old Prospectors Trail - 1. Referred to Ch. 40, Impact Fees waive or reduce. There is no mechanism in place to give Bielinski Fees back. Exemption of Fees. Ch. 40.10 Impact fees can be used for elderly housing, subsidized housing. Village Board needs to define what subsidized housing is. 2. Chicken & Duck ordinance- Maintenance of chickens, concerned there is not enough detail in ordinance. Concerned about proper disposal of chicken droppings, what to do with older chickens, how to enforce this ordinance/who enforces and attracting flies, mice, possum, (vermin).

S. Roysten, 330 Appletree Ln - * See attached sheet.

L. Fejnas, 103 Eagle St – Disappointed committee has not finished noise ordinance. Cars leaving bars uptown are noisy. There was noise from a semi-truck one nite and sanitary trucks are noisy.

S. Roysten, 330 Appletree Ln - Wanted to know what the signs in village are for noise ordinance.

Captain Lesniewski - Those are State law signs against loud mufflers and engine braking.

L. Clark, 305 Elkhorn Rd - In support of chickens. Lots of other municipalities have ordinance in favor of. Well written ordinance. Regarding treatment of animals, that is state law, not detailed in ordinance because that would be redundant. He believes this is a reasonable ordinance.

M. Rice, 601 Old Prospectors Trail - Property is governed by state and local ordinances. We are creating a new ordinance when no farm animals are allowed in the Village now. Affix to Ch. 9, general ordinance.

T. Tegen - Ordinances can be interpreted as no fur bearing animals are allowed in Village. Trying to come up with a management plan now with chickens and ducks.

L. Clark, 305 Elkhorn Rd -For chickens, Ordinance allows people to use their property for a use that's positive.

V. Williams, 301 Pleasant St - Not in favor of chickens, concerned over clean-up, why do people want them, chickens and ducks are not clean, will people want pet pigs next, should have more acreage, do we need to license chickens like dogs and cats are.

L. Clark - Dogs and cats are licensed to prove rabies shots.
